IMPORTANT CONTEST SIGN-UP INFORMATION: Units must compete in one of the contests in the first two weekends of the season. In order for a unit to compete in the MWCGC Championships, first year member units must compete in a minimum of 2 contests and returning member units must compete in a minimum of 4 contests. Any unit with circumstances prohibiting them from meeting these requirements must submit a written request with the contest sign-up form to the MWCGC Contest Director describing the circumstances as to why the requirement cannot be fulfilled. Deadline for submission of any such request is December 15, 2009, same as the contest sign-up deadline. Any unit failing to attend any contest(s) they enter will be subject to forfeiting their surety bond. Entries received after the December 15 deadline will result in the loss of points defined in 5.1 of the MWCGC Bylaws. In the event a contest cannot accommodate the number of entries, units will be accepted in the order of the date entries are received.

Check below which contests your unit will attend – All times are Central Time (same as Chicago) and are subject to change depending upon number of entries and facility availability.
